Soil & Water Conservation District Manager Danny Barger, along with Board Member Malcolm Jones, were present to give updates on services provided, such as rental sales, fish sales, soil sampling, hay moisture testing, with pond management being the predominate call. 2023 projects include preparing a soil & water 5-year strategic management plan, hire a part-time office worker and purchase a GPS Rover for technical work, as well as a carport, if there was county property it could be put on, since they are only leasing their location now. Mr. Barger also submitted a comparative budget analysis, which would increase their budget request almost \$5000.00, which the State matches 200%. The Soil & Water Conservation
