Ag & Natural Resources Extension Educator Josh Winters introduced himself and stated they wanted to build a relationship with the commissioners, to assure they are meeting the needs of the community and be transparent in all they do. Mr. Winters provided several updates, including the completion of construction on their building, the 4-H program bringing back the 4-H CARTEENS program (first time juvenile traffic offenders) and they will be hosting a Fishing & Trapping SPIN Club. The Spring Project Fair and 4-H Open House will be held on March 8 @ the OSU Extension office. There are over 50 youth already enrolled in 4-H for the 2023 year. Mr. Winter’s main goal for this winter/spring is to do farm visits to access the needs of the Jackson County Producers. The Extension office is in the beginning process of creating spring/summer programs and the Jackson County Farm’s Club will be providing speakers/presentations for their meetings. Another goal of Mr. Winters’ is to eventually build a master Gardener’s group, which has gained quite a bit of interest from the community. It was determined that Mr. Winters would provide the commissioners with quarterly updates for the upcoming year.
