Director Osborne-Smith stated the transit services are going very well. She also pointed out that H.R. 1(One Big Beautiful Bill Act) was signed into law on July 4, which includes significant changes to several federal programs, including Medicaid. 700,000 working age Ohioans are enrolled in Medicaid expansion, which is 6% of the state's population. Child care costs are extremely high, with Scioto County preparing to file for fiscal emergency because of these costs, and lower reimbursement for fees incurred. Jackson County has one juvenile in care that costs $700,000 per year, and if things do not improve for the county in the next 12-18 months, Director Osborne-Smith stated she will be asking the commissioners for monetary help.
